

Snip & Flip By Mary Tabar Supply List for Animals Pick your Favorite!

Snip & Flip patterns are machine applique, it is fun and easy to do. The applique animals are 8" x 9" in size. The bottom quilt samples show all three animals, with different layouts. Each have a pattern that explains the fabric needed for that layout. The pattern of *Bear Hugz* has five different color applique fabrics, with one color background. *Puppy Love* has nine different applique fabrics, and one color background. *Foxy Kitty* has three different color (variegated) applique fabrics, and two color background fabrics. So you pick your favorite animal, and how many blocks you want to make. NOTE: Bear and Dog patterns have four pieced blocks. I will email you the pattern before class, so you are able to get all the supplies. My email is marytabar@gmail.com

Supply List for 5 Animal Designs (i.g.)

- White/Light background 1/2-1 yd. depending on layout
- Color background and applique fabric 1/2 yd. of five colors
 - Black Applique fabric 1 fat quarter for eyes and nose
- Border fabric for choice of layout, 1 yd. (we will not get to borders in class)
 - 2 yd. Wonder-under or any fusible paper-backed web
 - Sharp scissors and pencil to trace and cut animals
- Rulers, rotary cutter, an iron with a protective applique sheet, so your iron stays clean (I will have some with me)
- Sewing machine, with zigzag foot, I have used a blanket stitch, and a zigzag stitch with rayon, decorative thread around all of the raw edge appliqué
 - Tear-Away Stabilizer 1 yd,
